Vendors Information

Vendor spaces are approximately 10X10 space. We can provide a 6ft table and 2 chairs for a \$10 fee.

A vendor table will give you the opportunity to put your service & product right in front of your target market visible for them to see. All vendors will be strategically placed allowing direct access to the shoppers. Space is limited so your space is confirmed once we receive your registration form & payment. *Only 1 vendor of each type allowed at the sale.*

For vendors stationed outside, there is a partial awning alongside the building that provides some shade. It is recommended to bring a canopy if you would like more coverage from the elements.
